Enrolment status

ANKER, Colin is eligible to stand for election as a resident of the Shire of Harvey.

I'm excited for the opportunity to represent the community I love and feel my diverse background is ideal for the multi-faceted role of Councillor.

I've owned my own small business in residential construction. I've worked FIFO in civil construction. I attended university as a mature age student gaining a Bachelor of Business majoring in Corporate Governance.

I coordinated Australian Red Cross' recovery program across Yarloop, Cookernup and Waroona, for those impacted by the 2016 bushfires. I continue to volunteer across Australia assisting people impacted by floods, fires, and cyclones.

I'm enthusiastic about building and strengthening communities. In 2018 I co-founded the sea shanty singing group The Anchormen. I'm a strong believer in community service and believe we should all do our part to improve the communities in which we live.

ul live in Clifton Park with my wife and two boys. My current projects are building a tree house and hosting the South West's first Sea Shanty Festival.
