Enrolment status

CARBONE, Craig is eligible to stand for election as a resident of the Shire of Harvey.

I am pleased to nominate again for the Shire of Harvey in 2023. I have 12 years of local government experience and have been a Councillor since 2011. I have lived in Brunswick all my life and have been, and still are, involved in many organisations including a past President of Harvey Brunswick Leshenault Football Club on two occasions, and a member of the Brunswick Lions Club. I represent a strong voice on council that is not afraid to make the tough decisions. I stand for small business owners, jobs, economic prosperity, and for those who have aspiration. I listen to our community groups and ratepayers to advocate on their behalf to get the facilities and fix the issues that arise. The Shire is a high growth area with many challenges financially. I recognise the pressures on ratepayers when it comes to paying rates and will make sure we get the balance right. I will represent the whole Shire to look after our youth, support tourism and our volunteers, our sporting groups needs.
