I was raised in Australind. I served in the Regular Army for 20 years (retired Major) during which I held leadership positions in logistical, administrative and training units. On retirement I returned home with my family. I have worked part time within the Education Department and spent a rewarding 7 years working at Lot 208 Youth, delivering youth services throughout the Shire. I have volunteered on a number of community and sporting groups. I have served 6 years as a Councillor, I'm currently the Deputy Shire President. I will continue to work hard in the interests of the rate payers, residents, local businesses and our communities. I will continue to serve with integrity, fairness and make my decisions objectively. I am a participative leader and have the courage of my convictions to make difficult decisions. The President is a position of leadership and heightened responsibility on Council. It is appropriate that the President is elected by and held accountable to the electors.
