Accessible wetland boardwalk Lake Josephine	0	There have been several suggestions regarding walking trails in the Myalup area. To determine priorities and clarify these suggestions, further community engagement is required. The Community Development team will host additional consultations and assist the community to consolidate these ideas into a detailed proposal.
2 vehicle parking hardstand, for walk track access	3	
3 vehicle parking hardstand, for walk track access	2	
New walk trail linking Rae Rd track directly to the beach carpark area. Possibly with an ocean viewing flat area with disabled access from the car park.	3	
Improved walk track access from Myalup beach Rd to Diversion track	2	
Walk track along west side of Lake Josephine. Possibly with easy access viewing area.	3	
Defined walking track from Lake Preston Road	1	
Entrance to the 100acre woods MUST be made accessible for all walkers. It is currently sand and steep.	3	
100 Acre woods must have directional signage ie: pointer flags, coloured posts	3	
Information board at the entrance of the 100 acre woods must be updated	2	
Priority to Lake Preston Road gravel pathway on the Lakeside for safety of walkers as they are sharing the road with vehicles.	4	
Cater for pedestrians along Lake Preston Road. Very popular with walkers and cyclists along the first 5 km north of township.	2	
Also agree that 100 acre wood paths need some attention, very sandy and difficult to walk.	2

An elevated accessible boardwalk from Myalup beach carpark to Harvey diversion.	0	There have been several suggestions regarding walking trails in the Myalup area. To determine priorities and clarify these suggestion, further community engagement is required. The Community Development team will host additional consultations and assist the community to consolidate these ideas into a detailed proposal.
The walk trail around Lake Josephine is lovely. Can it be extended, perhaps round more or all of the lake, with a viewing platform/bird hide and board walks for Josephine and Preston lakes. Also linking clearly to the 100 acre woods walks as well.	2	
It would be great to have a long walking trail all the way to Lake Preston, with some viewing platforms/boardwalks over the lake. With some hard standing at various places so people can walk parts of it. Even if the road can't be opened all the way (although how great would that be, if sufficient traffic calming was added to stop hoons speeding along as a highway alternative), being able to walk it would be great, I would love that!	0	
Improve the signs for the bird life along Lake Preston Rd and where the walk trails lead to hides along the lake	0	
Improved walk track access from Myalup Beach Rd to diversion track (second of two)	1
