1. Policy Purpose

Shire of Harvey supports and values all children and young people. It applies to occupants of Shire of Harvey facilities and venues, including visitors, contractors and suppliers.

3. Policy

Responsibilities

Shire of Harvey has a leadership role in our community to support relevant organisations to be child safe and promote child safe practices.

Although Shire of Harvey is not legally responsible for providing oversight of compliance with child safe practices, it will take any reasonable steps to engage with persons who utilise Shire of Harvey facilities to operate in alignment with the Child Safe Awareness policy.

Shire of Harvey will determine which roles across the organisation will directly support the implementation of the Child Safe Awareness policy.

- creates an environment where children's safety and wellbeing are at the centre of thought, values, and actions
- places emphasis on genuine engagement with and valuing of children and young people
- creates conditions that reduce the likelihood of harm to children and young people
- creates conditions that increase the likelihood of identifying any harm, and
- responds to any concerns, disclosures, allegations, or suspicions of harm.

Implementation of the National Principles for Child Safe Organisations give effect to the above.
