## Weekly Collection

### FOGO Bin

Your FOGO bin is for food organics, garden organics and other compostable items.

#### What can go in my FOGO Bin?

Meat and bones

Garden organics

Food scraps

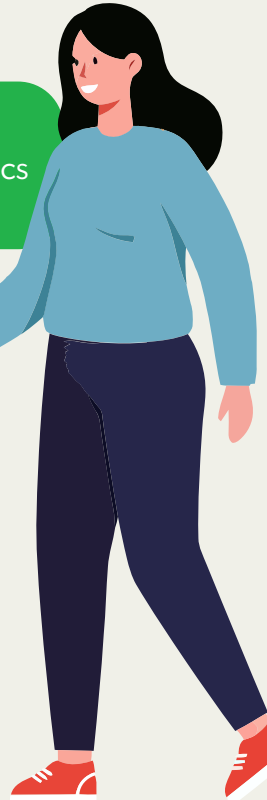

Eggs

Seafood

Please **do not** place plastic bags or wrap, clothes, general waste, plastics or other recyclables in this bin.

## IMPORTANT INFORMATION

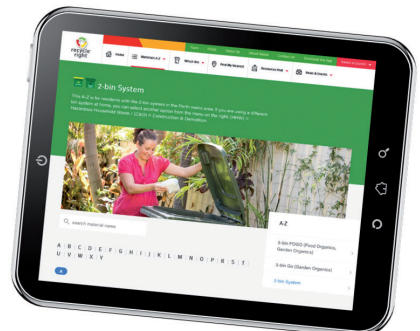

These dangerous items **DO NOT** belong in any bin as they can cause facility and truck fires:

Batteries, electronic waste, aerosols, paint, flammables, car batteries, fluorescent lights, gas cylinders, oil.

See next page to find out where to dispose of your Hazardous Waste.

For tips on how to produce less waste and what to do with items that don't belong in either bin, download the free Recycle Right app from the App Store or Google Play, or visit [recycleright.wa.gov.au](http://recycleright.wa.gov.au)

## Tip Passes Residential and Rural

The Shire of Harvey provides annual tip passes to eligible ratepayers.

Tip passes are intended for the disposal of domestic waste via light vehicles, specifically for general waste and green waste, as outlined in the current Schedule of Fees and Charges.

Tip pass cards expire on 31 August each year.

Please see the Shire of Harvey website for fees and charges or scan the QR code.

## REPORT ILLEGAL DUMPING

Dumping rubbish anywhere other than an approved site is considered littering. If you spot illegal dumping, please contact the Shire at [shire@harvey.wa.gov.au](mailto:shire@harvey.wa.gov.au) or call 9729 0300.

## Waste Management Facilities

# REDUCE REUSE RECYCLE

We can do many things to send less waste to landfill and help our planet. Just remember the "Three Rs" of waste management - reduce, reuse, and recycle.

- **Reduce:** Make less waste in the first place.
- **Reuse:** Use things again instead of throwing them away.
- **Recycle:** Turn old things into new things.

Even small changes in how we deal with waste can make a big impact.

## REDUCE

*Less is more*

- Buy in bulk to reduce packaging
- Choose to go "paperless" when possible
- Take reusable bags to carry your purchases
- Take your coffee mug instead of using disposable cups

## REUSE

*Give items a second life!*

- Upcycle - transform old items into new and useful creations
- Donate or sell - give away or sell items you no longer need
- Repair - learn basic repair skills

## RECYCLE

*Close the loop*

- Choose recyclable packaging
- Compost your food scraps, garden waste and other organic materials
- See the Recycling Guide on the next page to learn about accepted materials
