ANZAC DAY

Driveway dawn service

The Shire is supporting RSLWA's pledge asking Australians to honour its servicemen and women on ANZAC Day by stepping out onto their driveways or balconies for this year's Dawn Service.

Given the COVID-19 crisis which has forced the cancellation of ANZAC Day services across the country, we invite you to stand in quiet contemplation outside your home at 5.55am on April 25.

We also encourage you to lay your own wreath or flowers out the front of your home.

Please do not visit any of the Shire's memorial sites, as there will be no services or parades this year.

The ABC will cover Anzac Day proceedings occurring across the country. From 5am local time you can watch the National Dawn Service on ABC TV, ABC Australia Facebook page, and also on the ABC Australia YouTube channel.

Coronavirus (COVID-19)

Together, towards a healthy community

COVID-19 Response Package

Council passed the COVID-19 Response Local Economic Stimulus Package and the COVID-19 Response Grants Program valued at \$1.1 million at its April Ordinary Council Meeting.

Harvey Shire President Paul Gillett said this package included a zero per cent increase to the rates for the 2020-2021 Budget, valued at \$795,000.

The grants program will offer \$70,000 of support to community groups that can demonstrate an ability to deliver projects.

Council also endorsed the COVID-19 Financial Hardship Policy, which would support the community in what has been a difficult time.

"These packages and the hardship policy ensures that we offer adequate and fair support to our ratepayers. We understand this has been an extremely hard time for many people and we want to support all members of our community with respect and understanding," he said.

"As a result of the COVID-19 crisis, there has been a significant economic impact on the Shire's local industries which has adversely impacted many of the Shire's residents.

"It is important in these times to continue with projects, therefore Council endorsed unbudgeted funds for major maintenance on our two recreation centres."

4 o'clock Report

5 MAY 2020 • EDITION 37

SHIRE OF
HARVEY

A Shire of Excellence

Coronavirus (COVID-19)

Together, towards a healthy community

COVID-19 Response Package

Council passed the COVID-19 Response Local Economic Stimulus Package and the COVID-19 Response Grants Program valued at \$1.1 million at its April Ordinary Council Meeting.

Harvey Shire President Paul Gillett said this package included a zero per cent increase to the rates for the 2020-2021 Budget, valued at \$795,000.

The grants program will offer \$70,000 of support to community groups that can demonstrate an ability to deliver projects.

Council also endorsed the COVID-19 Financial Hardship Policy, which would support the community in what has been a difficult time.

"These packages and the hardship policy ensures that we offer adequate and fair support to our ratepayers. We understand this has been an extremely hard time for many people and we want to support all members of our community with respect and understanding," he said.

"As a result of the COVID-19 crisis, there has been a significant economic impact on the Shire's local industries which has adversely impacted many of the Shire's residents.

"It is important in these times to continue with projects, therefore Council endorsed unbudgeted funds for major maintenance on our two recreation centres."
