Notice is hereby given to all owners of land within the Shire of Harvey that pursuant to the powers conferred in Section 33 of the *Bush Fires Act 1954*, you are required to carry out fire prevention work in accordance with the requirements of this Notice, on or before 30 November 2021.

Responsibilities - As a landowner you have a responsibility to manage your property to reduce the risk of bush fire. This notice informs you of what actions you must take to manage your property and the dates when those actions must be adhered to.

Infringements - The Shire will be inspecting properties for compliance from 1 December 2021. The penalty for failing to comply with this Notice is a fine not exceeding \$5,000 and a person in default is also liable, whether prosecuted or not, to pay the costs of performing the work directed by this Notice if it is not carried out by the owner and/or occupier by the date required by this Notice.

Variations to this Notice - If you consider it to be impractical to meet the requirements of this Notice, you may apply and seek approval from the Shire in writing no later than 1 November 2021, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land.

Special Work Orders - The Shire retains the ability to issue Special Work Orders pursuant to Section 33 of the *Bush Fires Act 1954*, to individual landowners should additional works be necessary for a potential fire hazard that may exist on a property. These can be issued at anytime during the year.
