

- The development will focus on the principles of universal design to maximise on the regions ability to provide a sporting and event space in which interactions are inclusive.

### **Community Garden Policy**

- Based on success of Binningup Community Garden and at request of Council a policy is being developed.
- Cr. Bromham raised the use of verges and the potential for community use of this space. This will not be included in the scope of the policy however, there are future plans to investigate this.

### **Community Citizen of the Year**

- Congratulations to the Sue Della on her Community Citizen of the Year Award.

## **9.4 Director Corporate Services Update**

### **CCTV Strategy**

A specialised consultant, Redfish Technologies, is currently undertaking the development of a CCTV Strategy with the aim of ensuring CCTV systems employed going forward meet required standards, are future proof and fulfil the CCTV requirements of the Shire and the community.

The draft strategy will be presented to 18 February meeting of the Community Safety and Crime Prevention Advisory Group. There is state funding available between \$25,000 and \$300,000 for community safety works. Once the strategy is in place, the Shire can investigate what funding can be applied for.

## **9.5 Director Infrastructure Services Update**

### **New Binningup playground**

The new playground was opened in December last year. A naming competition for the ship will be advertised shortly. There have been some acts of vandalism on the playground, with CCTV to be installed according to the strategy as previously mentioned.

### **Waste Services**

In late 2021, the Shire's Waste and Safety Services Business Unit undertook consultation regarding the waste services the Shire provides. This feedback is currently being collated and reviewed in order to develop a plan to work towards a more sustainable future.

## **9.6 Director Sustainable Development Update**

### **Harvey Region Tourism Road Map 2031 Implementation Plan**

At the December OCM, Council endorsed the Harvey Region Tourism Road Map 2031 Implementation Plan and Executive Summary (refer to **Attachment 2** and **3**), which set out an ambitious vision for the visitor economy in the Shire of Harvey.

The Tourism Road Map 2031 is guided by a framework of six strategic goals, objectives and priority initiatives, and measured and reported by a key performance framework.

#### Strategic Goal 1 – Destination Governance

- To establish tourism as front of mind within the Shire of Harvey and Harvey Region.

#### Strategic Goal 2 – Destination Development

- To foster investment to improve the Harvey Region's product offering and visitor appeal.

#### Strategic Goal 3 – Industry Support

- To lead, support and maximise the capacity for sustainable growth.

#### Strategic Goal 4 – Visitor Servicing

- To provide an exceptional, effective, and accessible visitor servicing experience.

#### Strategic Goal 5 – Destination Marketing

- To create destination events focused on our brand values and core experiences to deliver economic benefit and add vibrancy to our communities.

#### Strategic Goal 6 – Destination Events

- To create destination events focused on our brand values and core experiences to deliver economic benefit and add vibrancy to our communities.
