

Discussions included the following;

- Members acknowledged the great work library staff are doing for the community and thank them for great service provided.
- Request for the Shire's Access and Inclusion Plan to include definition for refugees and migrants was noted.
- An update was provided on the consultation process undertaken by staff in the development of the Aged Friendly Strategy and where libraries fit in was noted.
- An update was provided of the Shire's Business Continuity Plan and efforts made by Shire to continue library services in these uncertain times. An Incident Management Team (IMT) has been set up to ensure continuity of service delivery in the Shire.
- Brunswick and Surrounding Areas Place Advisory Group meeting of 10 February requested an investigation into the needs and feasibility of a public library service in Brunswick and the potential for a mobile library service. The Library Advisory Group decided that these items will be included in the Library Vision Report that is in line with the Shire's Corporate Business Plan that states, action 2.1.4 Work with State Library of WA and the Brunswick CRC to investigate a public library service in Brunswick.
