Expressions of Interest open for public art opportunities

We're inviting artists and creative teams to submit Expressions of Interest for two exciting public art opportunities in Yarloop and Roelands. These projects offer artists the chance to work with local communities to create meaningful, place-based artworks that celebrate local identity, history and character.

Yarloop Mural

We're seeking an artist to develop a mural that reflects the character, identity and local experience of Yarloop. The project includes a community engagement workshop as part of the design process. The Expression of Interest closes 28 February 2026.

Roelands Entry Statement

We're seeking an artist or creative team to design and construct an entry statement for Roelands. This project will result in a durable, visually striking entry feature that reflects Roelands' unique heritage, culture and community values. The project includes community

consultation and must meet Main Roads Western Australia and public safety requirements. The Expression of Interest closes 13 February 2026.

January Ordinary Council Meeting update

Council received the Council Action Register, confirming the majority of the 205 resolutions made in 2025 have been completed, with the remaining actions continuing to progress well. The latest Council Plan Progress Report was also received, showing that 77 per cent of action items are already underway. Following that, Council endorsed the Bushfire Risk Management Plan 2025–2027, which provides a clear framework to identify and reduce bushfire risk across the Shire.

Next, Council deferred the draft Reconciliation Action Plan until the February Ordinary Council Meeting. This will enable the Shire to consult further on the Plan.

Lastly, Council approved a contract variation for the Harvey War Memorial Library Expansion, which will move the highly anticipated project forward.
