I am a current Councillor of 8 years up for re-election and a long-term volunteer. I've served on numerous committees and am currently Vice President of Brunswick Town Team, committee member of Brunswick Ag Soc, Harvey History Online and Harvey Historical Soc. I was born in Harvey and grew up at Roelands. I've lived in Leschenault and have farmed at Myalup and now Mornington with my fifo husband and adult children. This has given me a great understanding of the whole Shire of Harvey, its needs and the uniqueness of our communities. I am passionate about heritage, supporting our local cultural events, promoting tourism, supporting local businesses by shopping local, the environment and sustainability. I believe in listening to and raising residents concerns and advocate on their behalf. My aim as a Councillor has always been to get the best results for the community to make where I was born and the Shire of Harvey the best place to live providing the facilities needed for the community.
