Today I stand before the electors in the Shire of Harvey not just as a candidate but as someone deeply invested in our shared values and aspirations.

With nearly 20 years in Local Government as a former councillor and Shire President I am here to share my vision for the Shire of Harvey.

To deliver upgrades and improvements to all our wonderful community and sporting infrastructure.

Help provide affordable housing ,age care and to make the Shire the most accessible and livable locations.

I have completed the diploma of Local Government and the AICD course

These qualifications have provided me with best practices in Governance,Community development,Planning and Infrastructure enabling me to advocate for our community

I look forward to supporting local businesses to create an environment where our businesses can thrive.

I will work diligently to keep you informed and involved in decisions that affect our community

Together we can shape a bright future for our great Shire
