Ballot paper name	JUNIO, James
Candidate name	James Alvin Narvaez JUNIO
District	Shire of Harvey
Nominating for	Councillor for Shire of Harvey
Election type	Ordinary
Enrolment status	JUNIO, James is eligible to stand for election as a resident of the Shire of Harvey.

The last 2 years was an honour serving the Shire of Harvey as your Councillor.

To prepare for the role, I worked hard to complete the Council essentials course in 7 months, then completed the Diploma of Local Government in 11 months as a Jacqui Dodd Scholar.

I take community welfare seriously as proven by my advocacy to continue the childminding service at the HRCC, moved for the Shire to apply for grants for the Harvey Community Precinct, supported the completion of playgrounds, trails, special projects and sporting facilities, and advocated for an information sheet on tiny homes to address homelessness amongst others. I also extensively promoted the Markyt Survey to allow more ratepayers to voice their thoughts about their community.

I am passionate about Tourism, Local Business and have genuine concern for the vulnerable in our community.

If successful, I would like to represent all ratepayers within the Shire and continue to make it a great place to live, work, explore and invest.
