I am married, a registered nurse and tertiary educator; and moved to our shire 30-years ago, originally in Wokalup, then in Leschenault.

I was a leader in scouts for 13-years; and founded and managed the Australind Scout Group. I have been secretary and community liaison officer of the Leschenault Progress Association for 20-years; representing the community's needs, and coordinated many projects to benefit our community. I was a representative on the Australind Leschenault Place Advisory Group for 5-years, providing community input on shire facilities and projects, raising community concerns, and facilitating communication between the community and the council. For this commitment, I recently received the Australia Day Council's Community Citizen of the Year Award.

I bring a wealth of leadership experience and representing our community, am committed to work to shape local decisions, and look forward to the opportunity to contribute to the development and well-being of our entire shire.
