### You can now apply for a community grant!

The Shire of Harvey Community Grant Program is back for 2026, providing funding opportunities to help bring local ideas, projects and initiatives to life across the Harvey Region.

Categories include:

- **Community Support Grants:** Grants for events, activities, creative projects and initiatives that build community vibrancy.
- **Athlete Travel Subsidy:** Financial assistance for local athletes travelling for sporting competitions.
- **Youth Achievement Travel Subsidy:** Financial assistance for youth travelling for competitions.

- **Alcoa Harvey Sustainability Fund:** Grants for projects focused on sustainability and community resilience.
- **Coastal Communities Fund:** Funding for projects benefiting the Myalup and Binningup communities.
- **Infrastructure Grants:** Support for upgrades and improvements to community and recreation facilities.

The Shire encourages community groups, organisations and individuals with a great idea to explore the funding opportunities available.

Before applying, **applicants must speak** with the **Shire's Grants Coordinator**.

This helps ensure projects align with the funding guidelines and program priorities before an application is submitted.
