During the Agenda Briefing Session held on Tuesday, 17 November 2026, Council requested the following.

Removal of Policy

That Policy 3.1.7 Public Art Policy be removed from consideration to allow Officers the opportunity to review and address matters raised by Council during discussion of the item.

Accordingly, Policy 3.1.7 Public Art Policy has been removed from the November 2026 Ordinary Council Meeting Agenda and will not form part of the Officer's report, recommendation or associated attachments for consideration at this meeting.

The policy will be reviewed by Officers and presented to Council at a future date.

Administrative Changes to Policy

That Draft Policy 1.2.4 Advocacy and Stakeholder Relationships Policy be administratively amended to capture the following changes:

- In the Purpose remove the years 2025-2035 and insert the word “endorsed” before Council Plan.

- Include the words “community champions” in the last bullet point of 3.1 ‘Our approach’

When Council vote on endorsing the new Policy, these changes will be included in the final and published version.
